### QUALIFICATIONS

- Class A Golf Course Superintendent status by the Golf Course Superintendents Association of America
- Exceptional pedigree of work history in the New York Metropolitan area, including well-known Winged Foot Golf Club and The Creek Club.
- Knowledgeable in agronomic programs required to delivery consistent championship conditions on all playing surfaces.
- Understand the role of superintendent is much more than turfgrass; excellent communication, management and leadership skills.
- Results-oriented with a proven track record in completing a variety of course construction and improvement projects.
- Experienced in preparing for and hosting professional tournaments, including USGA championships.
- Committed to continually improving operation and keeping in-line with industry trends and practices.
- Strong ability to manage a diverse staff, including communications in Spanish.

### PROFESSIONAL EXPERIENCE

BALLY'S GOLF LINKS AT FERRY POINT  
GOLF COURSE SUPERINTENDENT  
ASSISTANT SUPERINTENDENT

BRONX, NY  
2017 - PRESENT  
2012 - 2016

*18-hole private club, Jack Nicklaus Signature design and opened in 2015. Formerly Trump National, now operated under Bally's.*

- Successfully lead operations of world-class golf club that delivers championship conditions on daily basis.
- Completed the construction and establishment of a links-style championship golf course that is already highly-regarded for its quality.
- Gained talent to recruit, develop and motivate employees based on agronomic needs and deadlines in a fast-paced and high-stress environment of bringing a course to opening.
- Excelled in government relations during construction: maintained records to meet requirements of DEC and NYC standards.
- Implemented electronic inventories for all new equipment purchased, fertilizer, pesticide, seed, and irrigation parts/tools.
- Analyzed all aspects of the HDPE irrigation system and installation.

THE CREEK CLUB  
ASSISTANT GOLF COURSE SUPERINTENDENT

LOCUST VALLEY, NY  
2010 - 2012

*18-hole private club designed by Charles Blair MacDonald and opened in 1923.*

- Performed agronomic practices necessary to create conditions worthy of this noteworthy facility.
- Supervised, interviewed, hired, and trained both new and old employees.
- Effectively administered water management program during heat and drought stress, focusing on firm, fast playing conditions.
- Successfully executed comprehensive pesticide and fertilizer program and records.

WINGED FOOT GOLF CLUB  
ASSISTANT GOLF COURSE SUPERINTENDENT

MAMARONECK, NY  
2006 - 2010

*36-hole private facility designed by A.W. Tillinghast and opened in 1923.*

- Integral in the oversight and records of an extensive tree removal program.
- Assisted in irrigation pond dredging and environmental removal of contaminated material.
- Completed numerous construction projects, including new construction of driving range, tee complexes, nursery greens, XGD drainage and rough reshaping.
- Facilitated the reestablishment of East Course tee, fairway, and rough after the US Open Infrastructure removal.
